

Inland Marine

Inland Marine Overview and Successes

Everest's Commercial Inland Marine product portfolio provides comprehensive customized coverage to a diverse array of industry groups. Our Inland Marine insurance team possesses the expertise to tailor coverage to the needs and exposures of your customers regardless of the location of the covered assets. Our underwriting team is a collection of specialists from different industry segments that have the flexibility and creativity to design tailored solutions regardless of complexity or challenge. Whether it is building under construction, a shipment of high tech equipment or an original masterpiece we are dedicated to bringing relevant solutions to you and your clients.

Financial Strength

We understand how important it is that a carrier possesses financial strength and stability. We believe that our "A+ (Excellent) XV" rating from A.M. Best, conservative balance sheet, expanding scope of operations and solid capital base put Everest in a superior position to withstand future economic upheavals and to provide our insureds the protection they need.
